Cooking for a Cause: Annual Jambalaya Lunch Scheduled for March 28,2008

Baton Rouge, LA – February 1, 2008-- The Knights of Columbus Council #3331 has their cast-iron pot ready for the Annual Spring Jambalaya Take-Out Lunch on Friday, March 28, benefiting Cancer Services of Greater Baton Rouge.

The event will take place in the parking lot of Cancer Services beginning at Noon. Pre-orders are \$5 per plate and can be placed starting immediately. Walk-up orders the day of the event are \$6 per plate. The meal includes the Council's signature dish along with green beans, salad, bread and dessert.

“Cancer Services is very thankful to the Knights of Columbus Council #3331 for their continued dedication to this event,” Cindi Tramonte, volunteer coordinator, said. “Without their enthusiasm and, of course, fantastic cooking, none of it would be possible! It has become a favorite tradition that we hope to continue indefinitely.”

Since 1993, the Knights of Columbus Council #3331 has contributed more than \$60,000 to Cancer Services through their Annual Spring Jambalaya Take-Out Lunch. They donate all overhead costs so that 100 percent of every contribution goes DIRECTLY to Cancer Services to help improve life for those living with cancer.

For more information on this event, contact Cindi Tramonte at (225) 927-2273.
