## **Art from the Heart: Cancer Services Sells Holiday Cards Made by Local Children Affected by Cancer**

*Baton Rouge, LA – Dec. 1, 2008*—Children in the Cancer Services’ Candlelighter and Kids Kare programs have designed 12 different holiday cards that you can choose from this season to show your friends and family your support of local cancer patients.

Each pack of 15 cards is \$12 with envelopes included. Proceeds from the sale of these cards go directly to the programs and services for clients and families of Cancer Services of Greater Baton Rouge. Card sales also help to generate a stronger awareness of childhood cancer.

“The holiday cards have become a tradition,” Cancer Services’ Director of Development, Connie Caldwell, said. “I’ve heard many people say that their families and friends look forward to getting these in the mail every year. They are a special tribute to those in our community fighting cancer and they contain fun, colorful designs from some incredibly brave local children.”

View the cards online at [cancerservices.org](http://cancerservices.org). To place your order, contact the office at 225-927-2273.
