

NEED TO TALK? WE'RE HERE.

Cancer Services' invites anyone in the community impacted by cancer, and now facing the challenges presented by COVID-19, to connect with a member of the support team for assistance. To better serve our clients, we are now offering counseling and health and wellness coaching via video chat and phone.

To contact a Cancer Services social worker, please email a staff member listed below to schedule an initial consultation. We understand there can be feelings of anxiety and isolation at this time, but please know Cancer Services is here to help enhance the connections within our community and to join everyone together in the fight against cancer.

Our services are available to children and adults impacted by cancer, as well as their immediate family members. All services provided by Cancer Services are free of charge, thanks to the generosity of donors.

CHILD COUNSELING

Jamie Collins, MSW, CSW
jcollins@cancerservices.org
